Re: Commission Order Authorizing Staff Intervention in Arizona Power Plant and
Transmission Line Siting Committee Proceedings

Dear Ms. Scott:

By this letter and as voted upon and ordered by the Commission at its January 25, 2000 Open Meeting, the Commission authorizes the Arizona Corporation Commission Staff to seek intervention as a party in all power plant and transmission line siting applications and proceedings before the Arizona Power Plant and Transmissions Line Siting Committee. In the event Staff does not believe intervention in any specific power plant or line siting proceeding is necessary to protect the public interest, Staff shall seek a waiver from the Commission to not intervene. Further, nothing herein is intended to limit Staff's participation in any capacity in power plant and transmission line siting proceedings before this Commission.

Sincerely,

A handwritten signature in cursive script, reading "Carl J. Kunasek".
